Production guidelines

Format / design

The space is 26.5 cm x 23.2 cm. If colour is to be used across the entire surface, we recommend including the hidden area with the barcode. The barcode is added by Publi- Bike and serves as a means of identification.

Printing / data transfer

Lettra Design Werbetechnik AG carries out the printing. Please send the print data to PubliBike by email.

- Print data:** Illustrator (.ai) files in a zip folder or as a PDF
- Data to be sent to:** valentina.giuffre@publibike.ch
(please mention the order number)
- Deadline:** The print data needs to be sent to PubliBike 30 days before the start of the campaign.
- Print-ready file:** After you have sent the data, you will receive the print-ready file via email. This must be approved within two business days in order to meet the release date.
